**Institution:**

**American University in Cairo**

**Location:**

Cairo, Egypt

**Category:**

Faculty - Business - Finance

**Posted:**

04/21/2021

**Type:**

Full-Time

**Company Description:**

Founded in 1919, AUC moved to a new 270-acre state-of-the-art campus in New Cairo in 2008. The University also operates in its historic downtown facilities, offering cultural events, graduate classes, and continuing education. Student housing is available in New Cairo. Among the premier universities in the region, AUC is Middle States accredited; its School of Business is accredited by AACSB, AMBA and EQUIS, The AUC Libraries contain the largest English-language research collection in the region and are an active and integral part of the University's pursuit of excellence in all academic and scholarly programs. AUC is an English-medium institution. Faculty salary and rank are based on qualifications and professional experience. According to AUC policies and procedures, faculty are entitled to generous benefits.

**Job Description:**

The School of Business anticipates openings for faculty positions at the Department of Management at the levels of Assistant/Associate/Professor of Finance, for non-tenure track one-year fixed-term appointments, beginning in fall 2021. The successful candidates will be expected to contribute to teaching in undergraduate and graduate finance courses, thesis supervision in the Master of Science in Finance and engage actively in research and service.

The department of management seeks an exceptional candidate whose research complements our existing strengths in the department while transcending traditional research in the areas of corporate financial policies, investment and mathematical finance. The candidate is expected to conduct a world-class research program and build a diverse research team in collaboration with business and industry partners that address the different issues related to emerging markets with emphasis on the Middle East and Africa regions.

Possible fields of interest include but are not limited to financial economics, business finance, corporate finance, applied banking, Fintech, algorithmic trading, retail banking, and portfolio theory. All faculty members must be willing to teach introductory courses.

**Requirements:**

Applicants must have a PhD in Finance or a closely related field from a reputable university, preferably AACSB and/or EQUIS accredited. A record of teaching experience, graduate and undergraduate research supervision, professional service and academic service is preferred.

**Additional Information:**

Review of applications will begin immediately and continue until the position is filled.

**Application Instructions:**

All applicants must submit the following documents online:

- Cover letter
- Current resume
- Statements of research and teaching
- Sample of current research
- Evidence of teaching effectiveness
- Completed AUC Personnel Information Form (PIF); and,
- Three names of reference to busref@aucegypt.edu with the subject line BUS/Finc/2021.

Assistant/Associate or Professors of Economics

**Institution:**

**American University in Cairo**

**Location:**

Cairo, Egypt

**Category:**

Faculty - Liberal Arts - Economics

**Posted:**

04/19/2021

**Type:**

Full-Time

**Company Description:**

Founded in 1919, AUC moved to a new 270-acre state-of-the-art campus in New Cairo in 2008. The University also operates in its historic downtown facilities, offering cultural events, graduate classes, and continuing education. Student housing is available in New Cairo. Among the premier universities in the region, AUC is Middle States accredited; its Engineering programs are accredited by ABET, its Chemistry program is accredited by the Canadian Society for Chemistry, and the School of Business is accredited by AACSB, AMBA and EQUIS, and the Master of Public Administration and the Master of Public Policy programs of GAPP are accredited by the Network of Schools of Public Policy, Affairs, and Administration (NASPAA). The AUC Libraries contain the largest English-language research collection in the region and are an active and integral part of the University's pursuit of excellence in all academic and scholarly programs. AUC is an English-medium institution; eighty-five percent of the students are Egyptian and the rest include students from nearly ninety countries, principally from the Middle East, Africa and North America. Faculty salary and rank are based on qualifications and professional experience. According to AUC policies and procedures, faculty are entitled to generous benefits.

**Job Description:**

The Department of Economics has anticipated openings for faculty positions at the level of Assistant/Associate/Professor for a fixed term four years appointment, to begin in Fall 2021. The Department of Economics seeks a

candidate with an exceptional teaching record and whose research complements our existing strengths while transcending traditional mainstream output in the areas of Microeconomics, Public Finance, Financial Economics, Econometrics, Project Evaluation, or International Development.

The candidate is expected to build a diverse research team in collaboration with local and international participants addressing the manner in which the above sub-disciplines specifically relate to the Middle East and African regions. Strong practical quantitative and research methodology skills will also be highly valued.

The successful candidate will be expected to contribute to undergraduate and graduate teaching, actively engage in research and service, and supervise masters' theses. Finally, all faculty must be willing to teach introductory courses.

### **Requirements:**

Applicants must have a PhD in economics or closely related field from a reputable university, preferably with a record of an active research agenda, teaching experience, thesis supervision, and academic service.

### **Additional Information:**

Review of applications will begin immediately and continue until the positions are filled.

### **Application Instructions:**

All applicants must submit the following documents online:

- Cover letter
- Current resume
- Statements of research and teaching
- Sample of current research
- Evidence of teaching effectiveness
- Completed AUC Personnel Information Form (PIF); and,
- Three names of reference to busref@aucegypt.edu with the subject line BUS/Econ/2021.

Faculty salary and rank are based on qualifications and professional experience. According to AUC policies and procedures, faculty are entitled to generous benefits.

**Job Description:**

The School of Business anticipates an opening for a faculty position in the Department of Management at the level of Professor of Practice (PoP) in Management for a non-tenure track four-year fixed-term appointment,

beginning fall 2021. Possible fields of interest include but are not limited to entrepreneurship, leadership and international business. The successful candidate will be expected to contribute to undergraduate and graduate teaching and conduct applied research.

The department of management seeks an exceptional candidate whose research complements our existing strengths in the department while transcending traditional research in the areas of entrepreneurship, leadership and international business. The candidate will also fine tune research efforts in this area by developing regional case studies, fostering collaboration with international experts and scholars, and producing high-quality research papers which tackle timely topics of management that address the different issues related to emerging markets with emphasis on the Middle East and Africa regions.

Applicants will also be expected to engage in ongoing activities in the department as well as undertaking development activities consistent with teaching and research. All faculty members must be willing to teach introductory courses.

### **Requirements:**

While PhD holders from accredited universities are preferred, the primary criteria for appointment are a demonstrated record of professional impact in the field with a substantive experience in the area of management. We seek candidates who are expected to be acknowledged as leaders in the discipline with strong teaching skills and the ability to make contributions to the profession. Practice faculty should have a minimum of 15 years of relevant business experience, including 5 years in a leadership position, as well as continue to hold conduct professional activities related to his/her discipline. Publications are a plus.

### **Additional Information:**

Review of applications will begin immediately and continue until the position is filled.

### **Application Instructions:**

All applicants must submit the following documents online:

- Cover letter
- Current resume
- Statements of research and teaching
- Sample of current research
- Evidence of teaching effectiveness

- Completed AUC Personnel Information Form (PIF); and,
- Three names of reference to busref@aucegypt.edu with the subject line BUS/popmgmt/2021.

Assistant Professor - Management

**Institution:**

**Universities of Canada, Egypt**

**Location:**

Cairo, Egypt

**Category:**

Faculty - Business - Management

**Posted:**

03/19/2021

**Type:**

Full-Time

**The Universities of Canada, Egypt – Faculty of Business****Faculty Position Vacancies**

The Universities of Canada, Egypt (UofCanada) is a new premier institution of higher learning situated in the heart of the New Egyptian Administrative Capital outside Cairo. UofCanada was created via recent Presidential and

Parliamentary decrees and acts as the branch campuses for University of Prince Edward Island (UPEI ) & Ryerson University in Egypt.

UPEI is recognized as a leading and innovative center of excellence in learning, teaching, and scholarship in Canada. The BBA program focuses on experiential learning and student development through hands-on business education in the form of real-life business projects, community engagement, an active case competition program, productive entrepreneurial activities and business startup programs, and co-op work terms.

The Universities of Canada, Egypt (UofCanada) Faculty of Business invites applicants at the rank of Full Time Assistant/Associate Professor for Management starting September 2021. Primary areas of teaching will be in Management and Human Resources courses.

### **Roles and Responsibilities:**

#### **Teaching and learning:**

- To transfer knowledge to students and teaching assistants including practical skills, methods and techniques.
- To ensure that the teaching content and methods of delivery are in accordance with faculty guidelines and respond to issues relating to staff and student needs.
- To encourage the development of innovative approaches to course delivery and ensure that teaching design and delivery comply with the quality and educational standards and regulations of the department.
- To challenge thinking, foster debate and develop the ability of students to engage in critical discourse and rational thinking.
- To supervise student projects and research, as well as, mentor their academic progress .
- To set, mark and assess work and examinations and provide feedback to students.

#### **Research and Scholarly Endeavors**

- To lead and co-ordinate research activity in the subject including determining relevant research objectives, leading research and collaborative partnerships with other educational institutions or other bodies and preparing and submitting proposals and applications to external bodies, e.g. for funding and accreditation purposes.
- To carry out independent research and write or contribute to publications or disseminate research findings using other appropriate media.

- To seek practical application of research findings in line with the vision of the university.

### **University Services**

- To chair and contribute to committees work and participate in school/department decision-making and governance.
- To promote and market the work of the university and department both nationally and internationally.
- To be responsible for dealing with referred issues for students within own educational programs.
- To act as a line manager, supervising the work of others, for example in research teams, projects, or as M.Sc, PhD supervisor when required.
- To mentor, appraise and advise staff on personal and career development plans.
- To foster innovation and inter-disciplinary team working.

### **Required Skills and Qualifications**

- A Ph.D. Degree from a recognized University (Preferably Canadian and/or North American institutions)
- A record of excellence in teaching and scholarly output appropriate to career stage
- Excellent command of English language
- Excellent interpersonal, communication, and presentation skills
- Excellent teamwork and organizational skills
- Compassionate, positive, and professional attitude
- High level of responsibility and commitment.
- Ability to take and implement initiatives contributing to the development of the school.
- Ability to balance the competing pressures of teaching, scholarship, research, knowledge transfer, administrative demand, and deadlines.

Formal applicants for the available positions should send a cover letter, including CV, the names of three references, a brief statement of teaching philosophy, and evidence of teaching quality to the following address: [Academic.careerBus@uofcanada.edu.eg](mailto:Academic.careerBus@uofcanada.edu.eg)

### **Application Deadline: 05/18/2021**

Please put the code **105B-MGT** in the Subject accompanied with the title of the position

While we thank all applicants for their interest, only those under consideration will be contacted for an interview.
