

Dear Esteemed Members of AGBA's Global Family: Hi

Ref: AGBA's Global Communiqué # 1 ---- Cancellation of AGBA's 2020 Conference Because of Global COVID --- 19 Epidemic.

1. I am regret to inform you that concerned three parties (i) Esteemed Members of AGBA's Global Family, (ii) AGBA's Global Board of Trustees and (iii) AGBA's 2020 Conference host institution (Istanbul Gelisim University, Turkey) have unanimously decided to cancel AGBA's 2020 Conference because of *ongoing Global COVID---19 Epidemic*.

2. First time in the history of the world, entire global humanity has been severely affected by a global epidemic. However, blessing in disguise is that entire global humanity is fighting it out as one united family. I am confident that global humanity would succeed for sure by combating this epidemic and eradicating it from the face of earth because of its concerted efforts.

3. Being an optimistic thinker, I believe that life would return to normalcy after few months and we would have a better AGBA conference next year on July 2---4, 2021 in Istanbul (Turkey) thanks to the concerted efforts of aforementioned 3 parties.

4. I am pleased to attach AGBA's revised and updated conference brochure for your kind usage, circulation across your network and uploading on all websites across the world.

5. I would like to express my sincere appreciation and gratitude to members of aforementioned 3 parties for their unwavering support of AGBA. It is the zeal, resolve and determination of these 3 parties that is nurturing AGBA as a Not-for-Profit Charitable American NGO on the global stage in the service of global humanity.

6. Please stay safe, secure and healthy from COVID---19 by taking all precautions. May God bless you. Amen.

7. See you at AGBA's 17th global conference next year on July 2---4 2021 in Istanbul (Turkey).

Thank you very much.

Cheers.

Prof. Zafar
